Our 2026 Kavod Honoree has built a life shaped by community involvement. We are pleased to recognize and honor Scott Rogoff. Scott's Jewish journey began as a camper at JCC Milwaukee's Camp Interlaken and as a participant in BBYO. These early experiences fostered a lasting dedication to Jewish life, leadership, and service. After moving to Chicago, Scott became involved with the Anti-Defamation League (ADL), contributing his voice and perspective as part of the Speakers Bureau, promoting understanding, combating antisemitism, and educating on issues of bias and inclusion. He has held many leadership roles at Congregation Beth Shalom, including Men's Club Board, Men's Club President, Fundraising VP, House VP and is looking forward to becoming Program VP where he will continue to bring his energy and creativity to our synagogue.

Along with his wife Leslie and daughters Marissa and Sophia by his side, Scott has demonstrated a consistent commitment to service, leadership, and Jewish life. Whether through advocacy or community engagement, Scott continues to make a meaningful impact on those around him as a valued leader and collaborator.
