The Meaning of Shavuot

Shavuot celebrates the gift of Torah. After the festival of Pesah we count the Omer for seven weeks until we arrive at 6 Sivan. In doing so we relive two journeys. The first is the exodus from Egypt, making our way, miracle by miracle, to Mount Sinai. And the second is the seasonal journey from the spring harvest to the summer harvest. In Temple times, Shavuot was marked by bringing harvest gifts (bikkurim) to God, expressing gratitude for having settled in the Promised Land and being able to draw sustenance from it. Today we mark it by recalling when God gave us the Torah and immersing ourselves in it. This dual meaning of Shavuot—as a celebration of harvest and a celebration of the giving of the Torah—expresses a direct connection between Torah and abundance. This connection encourages us to experience Torah as a bountiful harvest—evoking a sense of satiation, fulfillment, and overflowing gratitude. It teaches us that, through immersing in Torah, we are nourished.
