Re: HAZAK Shabbat – March 30, 2019

Please plan on joining us and participating in HAZAK Shabbat! The parsha that week is Shemini.

As you know, HAZAK was established several years ago by the United Synagogue of Conservative Judaism to meet the needs of our congregants over age 55. We strive to be an important affiliate organization of Congregation Beth Shalom by celebrating our Jewish heritage, history and culture through special programming and events. This year, a specific **Shabbat morning service on March 30th** has been set aside to recognize the contributions of our membership to the well-being and vitality of our Congregation. We have also been given the opportunity of leading portions of the service in Hebrew and English and receiving Torah honors.

Please review the participation opportunities that are listed on the [form](#), decide what part of the service you might want to do (as a single or a couple depending on the prayer), and return the participation form to Leann Blue **no later than March 7th**. Don't delay in replying. We don't want you to be disappointed.

In addition, you can celebrate your Simchas with us by being a **Kiddush "host"** with a suggested donation of \$54. All of our hosts will be acknowledged in the Shabbat brochure that week, and we will send an acknowledgment to the honoree. If you are interested in being a Kiddush "host," you can return the following form with your check to Leann Blue via the main office or contact Leann at LBlue@bethshalomnb.org or 847.498.4100 x46.

One other item...look for a HAZAK planning meeting announcement in the next few weeks.

Shalom and best wishes,
