This Week’s Parashah

God commands Moses to take a census of the Israelites. God tells Moses to make articles for the Priests to use when entering the Tent of Meeting. Moses is told to remind the Israelites to keep the Sabbath as a sign of the covenant. God gives Moses two tablets on which are inscribed the laws, but the Israelites have grown impatient in the time that Moses was up on Mount Sinai. They demand that Aaron fashion for them a god. Under great duress, he relents and makes a Golden Calf. God tells Moses that the Israelites have turned away from the laws. God will destroy them and make Moses’ descendants a great nation. Moses pleads with God to spare the people. As the Israelites worship the calf, Moses descends the mountain. Angered, he smashes the tablets and destroys the calf. God tells Moses to carve two new tablets of stone for God to inscribe again with the words of the law.

Today’s Haftarah

Ahab, the King of Israel, and his wife Jezebel had introduced the worship of Baal - a foreign god - to the Jewish people. Because of this sin, the land of Israel is experiencing a severe drought. God tells the prophet Elijah to speak with Ahab. Ahab accuses Elijah of being a troublemaker but Elijah responds that it is the king who has brought misfortune to the people and the land. Elijah confronts the 450 prophets of Baal on Mt. Carmel, and is thereby able to demonstrate to the Jewish people that the God of Israel is the only true God. The incidents described in the Torah portion and in the Haftarah join two moments of betrayal in Israelite history. In the Torah portion, we learn of the building of the golden calf; in the Haftarah, once again the Israelites turn their back on God, this time to worship the pagan god Baal.
