## RABBI CHAPMAN’S CHRONICLES

Rabbi Chapman

Mara Bernstein at the front desk asked for my cell number for the staff directory. I started, “847...” She interrupted me: “Oh wow, you already have an 847 number!” The truth was, I have never NOT had an 847 number, as I got my first cell phone here in the Chicago suburbs. But now, my area code is now once again in its natural habitat (like the rest of me). Thomas Wolfe wrote, “You can’t go home again.” But apparently you can get pretty close.

That’s just one of the nice surprises that comes with moving back to your hometown. When it comes to navigating, I understand instinctively that you get on the highway going “West” if you want to head north, and “East” if your destination is south. Makes perfect sense. (Jonathan disagrees. 😊)

As we read in the Book of Exodus this season, the Israelites are also returning home. Many generations after Jacob and his sons left Canaan to settle in Egypt, the Israelites are now freed from bondage and heading back north (or really, northeast).

“You Can’t Go Home Again?” However, as we will see, their journey will be anything but linear. Yet to come are the 40 years of wandering, a punishment for a lapse of faith during the Incident of the Spies (Numbers 14). My years of “wandering” were shorter and were not (I hope!) the result of a divine punishment.

Throughout their journey from Egypt back home, the Israelites are guided by God, in the form of a pillar of cloud by day and of fire by night. This holy “compass” stays with them/us always, even when we are feeling most lost – directionally or spiritually.

As winter finally turns to spring, and our Torah narrative wends from slavery to freedom, I pray that you too can perceive the Divine Navigator guiding your way.

# FROM THE CONGREGATION PRESIDENT

Bob Spector

**Shalom Chaverim,**

I hope you are all staying warm and cozy and that 2023 is bringing you good health. For those of you who are spending the winter in warmer climates, can you send us some of that warmth and sunshine to the Chicago suburbs? I cannot believe that I just passed the 18th month mark of being your President, which means it is time for the **Good**, the **Bad**, and the **Ugly** update part III. More aptly, I'm going to call this the good and the sad (some) update (but mostly the good) because I have little bad or ugly to report.

Our **Good** started with the welcoming of Rabbi David Chapman and his lovely family to our community. They have been such a wonderful addition to our Congregation Beth Shalom family. We enjoyed a summer of many creative services which highlighted the vibrancy of our community through the inclusion of so many of our younger families. The summer was a terrific prelude to our High Holidays. While the COVID virus continued to be very present (**BAD**), this did not deter the return of so many of you to attend services in-person. We had well over 1000 members in our building engaging in a variety of service options and over 800 members joining us remotely. Our clergy created a sense of warmth and spirituality that represents how special we are as a congregation. We also welcomed Michael Schneider (our new Director of Youth, Family, and Young Adult Engagement) this fall who wasted no time in becoming an integral member of our staff. Earlier this year we hired several administrative staff - Lisa Weisner, Audrey Taxer, Pamela Connell, and Mara Bernstein who all significantly contribute to CBS being such a friendly and welcoming community. We are very fortunate to have such a committed and dedicated staff working on our behalf.

Unfortunately, we also experienced a lot of **SAD** over the past six months. The war in Ukraine rages on, our economy is still a mess, and we lost too many friends, family members, and loved ones (including my mother-in-law in December). It is during these periods in our lives and moments in time that it is critical that we have extended community to turn to for support. While Gloria Meyers' death (Chris' mother) was not unexpected, and she lived a full life (94 years) it still leaves our family with a collective heart that is less whole. I have no doubt that most of you know what this feels like. However, here's the **GOOD** I want to leave with you.... the support we received from our extended CBS family was so appreciated. I thank you for the all the emails, text messages, and well wishes we received at our time of loss. This was once again a reminder for me of how Congregation Beth Shalom can be such a supportive and kind community and how fortunate and privileged I feel that I can give something back to all of you. As I now enter the fourth quarter of my leadership role, I enthusiastically look forward to continuing to help us become the best we can be.

L'Shalom,

Bob

## The MARIAN RENEE SALTZBERG Learning Resource Center / IRVING RUBENSTEIN MEMORIAL LIBRARY Highlights

We have a variety of newly acquired books for children and adults - novels, holiday and mitzvot books for early readers, haggadat, resources for life-cycle events, current events, and more! Come check out the continually growing and changing collection.

We're looking for volunteers to support the needs of our library: shelving books, maintaining the catalogue, and helping to create a vision for this wonderful resource center. We are also seeking people to read to the Religious School K-3<sup>rd</sup> classes on Sunday mornings from 10 a.m. – 12 p.m. and help the children check out books. Please contact Pamela Connell ([pconnell@bethshalomnb.org](mailto:pconnell@bethshalomnb.org) or 847-498-5352) to get involved or for more information.

## Always Growing

**Always Growing** is a book written by a great friend of mine, Jones Loflin. Yes, it's only February, but it's time to start thinking about Spring. We are all gardeners. What grows – and how it grows – is up to you. If you give up or allow things to remain stagnant, you could miss out on incredible opportunities.

Grow, Cultivate, Prune, Harvest...

### Grow

- Identify what you can and cannot control and invest your time where you can have the greatest return.
- Letting something grow on its own doesn't always bring the desired result.
- Create the environment that gives a plant the best chance to grow.
- Determine what a plant needs for optimum growth.
- A plant will only grow as fast as its most limited factor.
- A plant needs the right temperature to encourage it to grow.

As a leader are you in touch with what motivates everyone? What will help your team/family get their desired results and grow?

### Cultivate

- Cultivation is required to stay focused on what you want to grow.
- Preventing the weeds from growing limits their ability to use resources.
- Continually evaluate your methods to see if they are making the best use of your resources.
- Time spent seeking advice and sharing ideas always helps you improve what you're growing.

Where does your focus need to be right now? Who are three people who could help you grow? What routines or activities should you engage in more often?

### Prune

- You sometimes have to say no to things of lesser importance so you can say yes to things of greater importance.
- Pruning is a reallocation of resources to nurture the desired growth.
- Pruning frees up resources that can be used in the areas of greatest importance.
- Pruning is the most critical in the early stages of growth because you're forming the structure for the future.
- Prune at the first signs of undesirable outcomes.

Where do you feel like things are growing out of control for you or your team/family? How can you change your priorities to provide an extra hour for you to use each week to improve your effectiveness as a leader?

### Harvest

- Harvest is much more than the numbers.
- Harvest is when you celebrate ALL your productive results.
- Reflect on the results of your efforts rather than just on what you're trying to grow.
- You must be intentional about celebrating your harvest moments as well as focusing on what you're trying to grow.

Do you focus more on what is getting done or what is not getting done? Who needs you to celebrate a harvest moment with them right now?

**When you choose to stop growing, you miss the opportunity to produce some incredible results.**

The Youth Department at CBS is busier than ever! I am sure our readers have heard about or participated in our wonderful programs. A quick recap and look ahead:

FYC, our families with young children, continue to get together at least twice a month for Shabbat and holiday programs. We had an amazing time for our Chanukah Adventure with Jonathan Shmidt Chapman, and enjoyed a sing-a-long with Miss Dana.

CBS Chaverim, our 2nd-5th grade youth group was busy with several events. We painted Judaica pieces from Painted Penguin and decorated cookies for Chanukah. We also had a sports day where we got our energy out after Religious School.

CBS Geshar attended a program during winter break where 6th and 7th graders were able to hang out for a delicious Mizrahi Grill lunch, along with some games and activities. It is always great to see our middle schoolers!

Our high schoolers spent some time learning about the CBS Youth Endowment Fund, and how our fund value changes when the stock market changes. Our 2022 Rosh Hashanah honey sale raised \$691 in support of the CBS Youth Endowment Fund. Students are already thinking about the needs in our community and beyond, and where they might recommend grants from this fund in the next few months. Thursday lounge nights have also had some great events like a paint night, shopping for Toys for Tots, and a relaxing spa night right after final exams week.

We have done so much more than what is listed above and there are many more programs coming up as we get into spring.

## Israel In Depth 2022 – 2023 — Upcoming Session Topics

### •February 19--Israel's Place in the Region

The US-brokered Abraham Accords ushered in a new era for Israel. We'll explore what's changed since the UAE and Bahrain normalized ties with the Jewish state, bringing their anti-Iran front into the open -- and consider what the future may hold.

### •April 23--What Does It Mean To Be Pro-Israel?

American Jewish support for Israel used to be pretty uniform, but those days are gone as individuals and groups find new ways to connect with the Jewish state. Is the "pro-Israel" question even the right one to be asking in 2023?

# SISTERHOOD

Jackie Zelkowitz

Sisterhood has had a busy few months.

Our Sisterhood Blind Wine Tasting was so much fun as we tasted different kosher wines. Thank you to Debbie Hamilton for all her creativity in serving as our *sommelier*. We hope that you can join us at future events as we taste the best wines selected.

The Nominating Committee, led by Robyn Rosengard, is working to put together an excellent Board of dedicated leaders for next year's Board. We are always looking for new members who want to be more involved, and a position on the Board is a great way to do that. We would love for you to join us. Please reach out to Robyn at [rgard4@gmail.com](mailto:rgard4@gmail.com).

Our annual Sisterhood Shabbat Service will be held on **Friday, February 3<sup>rd</sup>**. Please join us for this special service followed by dinner. If you cannot attend in person, you can still watch the service through our CBS Livestream: <https://www.bethshalomnb.org/pray/live-streaming/>

On **Tuesday, February 7<sup>th</sup>**, please join us for dinner at the synagogue or on Zoom as we watch comedian and Jewish Zodiac® creator, Seth Front, for a humorous and heartwarming multimedia history of the delicatessen across four generations of Jews in America, from 1890 to the present.

Sisterhood, Men's Club and Young Families are going to watch the Chicago Wolves and the Cleveland Monsters on **Sunday, February 19<sup>th</sup>** at the Allstate Arena. We hope that you can come out and join us.

Please join us on **Sunday, February 26<sup>th</sup>** to play some of the classic table games – Mah Jongg, Canasta and Bridge at the annual Jan Blum Memorial Game Event at the synagogue. Ellen Grossman, Sara Weinstein and Andy Widen are working hard on planning this event. We are looking forward to the fun and games!

It was so popular last year, we have asked Edwards Florist of Northbrook to come back on **Thursday, March 16<sup>th</sup>** to help us decorate floral arrangements for our Shabbat tables. This event is offered both in person and through Zoom. If you wish to attend online, you will be able to pick up the flowers directly from Edwards Florist and participate from the comfort of your home.

Believe it or not, it's already time for Sisterhood to get ready to bake for Passover *Kiddushim*, and we will need volunteers to help. Robin Bright has, again, generously offered to help us lead the baking which will take place from **Tuesday, March 21<sup>st</sup>** through **Thursday, March 23<sup>rd</sup>**. Please see the information below and use the link to sign up for a date and time.

With so many great events coming up, we hope that you will join us.

# MEN'S CLUB

Steve Lessman

Dr. Andrew Wagner

Every year, we have the pleasure and pride to announce our Federation of Jewish Men's Clubs (FJMC) Man of the Year. Following in the footsteps of our previous well-deserving honorees, our 2023 Man of the Year is...

## NEIL ROSENGARD

Neil grew up at Congregation Beth Shalom and then became an active CBS Men's Club Executive Board Member. We will be celebrating this honor with the Midwest Region FJMC Man of the Year and Youth of the Year Award Ceremony honorees on **Sunday, March 26th** at Congregation Beth Judea in Long Grove. The event will begin at 3pm with refreshments and snacks, and a formal presentation will take place at 3:30 pm in their main sanctuary. Please join us in honoring Neil for his years of dedicated service to our synagogue and Men's Club as our 2023 Man of the Year!

You can find his bio in the Man of the Year flyer in this bulletin on page 14. We give our best wishes to his wife, Robyn, and children, Logan and Madison, and the entire Rosengard Family on this special honor.

Over the next few months, our Men's Club will be very busy. We begin with our World Wide Wrap on **Sunday, February 12th** as we are joined by the 6th and 7th graders and their parents for morning worship and wearing Tefillin, many for the very first time. It will follow with a complimentary breakfast. We hope you can all join us.

On **Sunday, February 19th** we start the morning with Israel in Depth and a free breakfast for those attending. That afternoon, the Men's Club is co-sponsoring a synagogue event with the Sisterhood and Families with Young Children. It is an afternoon at the Chicago Wolves game with the game starting at 3:00 pm.

Our Lox Box Program is in full swing right now. You can purchase Lox Boxes for your family, relatives, friends, or business associates. As always, there is the opportunity to donate a box to The Ark and or CJE. Lox Box Delivery will be on **Sunday, March 12th**. If anyone would like to assist with packing or delivery of Lox Boxes, please reach out to Don Pike, at [dpike1481@gmail.com](mailto:dpike1481@gmail.com).

Again, we congratulate Neil Rosengard on his honor as CBS Men's Club Man of the Year. We look forward to celebrating with Neil on March 26th!!!

Happy February to everyone, and we will see you at Congregation Beth Shalom very soon,

Steve and Andy

## **CBS Men's Club Man of The Year 2023: Neil Rosengard**

Our Men's Club is pleased to honor someone who grew up at Congregation Beth Shalom and then became an active CBS Men's Club Executive Board Member. Neil is the son of Larry z'l and Eileen Rosengard who were extremely active members of Beth Shalom back in the 1970's and 1980's. Neil had his Bar Mitzvah at CBS in 1986 and has really never left since those early days. Neil attended Glenbrook South High School and was involved in many activities including soccer, swimming, theater and choir. He also did play by play sports announcing on the school radio station.

Neil then became a Proud Jayhawk attending the University of Kansas. After college he worked for five years at the Mercantile Exchange where his father Larry worked and owned a successful Brokerage business for many years. Neil then found his passion for working in Sales and Special Events Production, which he has done now for over 30 years. He has been with his current company BBJ LaTavola, a specialty linen rental company, for the last ten years as Director of Logistics.

Neil first met Robyn Gaffen during summer camp when he was 12 years old while attending the all boys Menominee Camp in Wisconsin. Robyn attended the nearby all girls Marimeta Camp, and the two camps socialized often. College friends fixed them up years later, and in 10 months they were engaged and soon married. Neil and Robyn now have two children; 20 year old son Logan, a junior at the University of Kansas, and 17 year old daughter Madison, a senior at Glenbrook North.

Neil has been extremely active in CBS during his entire adult life. He has been on the Board of Trustees for over 15 years, served on House Committee, VP Membership, and VP House of CBS and VP House CBS Men's Club and is now currently VP Membership of CBS Men's Club.

One of Neil's greatest Jewish memories includes working with his dad and family during his early teen years helping with the Maot Chitim Passover deliveries to needy families. During those years, Neil remembers his father's words to live by: "Help others who can't help themselves".

Please join us in honoring Neil Rosengard for his years of dedicated service to our synagogue and Men's Club as our 2023 Man of the Year!

### CBS Memorial Plaques

If you wish to honor the memory of a dear one, a most fitting, traditional and dignified remembrance is through a Memorial Plaque.

Each memorial plaque, bearing the name and yahrzeit date, is mounted on the tablet in the Moseson Alcove or Feather Beit Midrash. It is lit on the Shabbat of the week of the yahrzeit, on the day of the yahrzeit and on the four festivals during the year when Yizkor is recited.

Contact Maria Catezone by phone at 847-498-4100 x26 or email [MCatezone@BethShalomNB.org](mailto:MCatezone@BethShalomNB.org) for information or to order a plaque.

The following families have dedicated a memorial plaque in memory of their loved ones.
